Agnese Nassisi

info@beehiveillustration.co.uk

I'm an Italian children's book illustrator/author. I've been drawing since my mom literally put the first pencil in my hand, but only during the last year of studies I discovered the world of children's publishing, and I fell in love with it. I'm passionate about 2D and stop-motion animations, I'm a Potterhead and I drink gallons of tea!
