

I'm living in Lloret de Mar, a coastal village near Barcelona, I was study in the great school of Arts Llotja, specialized in illustration and after that I was working in Video Games with such companies as Ubisoft, were good times. I'm passionate with children books, comic books and the well done learning books... I'm very happy to work drawing! And now, please, let's see some of my artworks.

• **Conventional** • **Photoshop** • **Vector** • **Digitally Painted** • **Animation Motion** •
