

I was born in 1970. I'm living with my family near Rennes (France). I studied at Beaux-Arts schools in Rennes and Rouen, and then at a graphic arts school (Peninghen) in Paris for four years. More and more I'm doing illustrations for non fiction books. The themes are very different: the middle ages, the crusades, egyptians, romans, indians, inuit, Pompeii, sea and pirates etc.... Sometimes, I'm also author.
