Beehive
ILLUSTRATION

Gergely Fórizs

info@beehiveillustration.co.uk

I'm a hungarian graphic artist. For 2 years, I was working on children illustrations for Giving Tales smartphone application. Before that I was a graphic designer at MOHAnet Co. for 5 years. I'm confident in working with Photoshop on Wacom Cintiq tablet, and I'm also skilled at conventional arts like aquarelle painting and comics.

• Conventional • Photoshop •
