ILLUSTRATION

Sarah Pitt

info@beehiveillustration.co.uk

Hi! I graduated from Central St Martins with a Ba Hons degree in Printed textile design and have over 25 years experience illustrating happy characters for giftwrap, cards, children's books and puzzles. I love bright colours and work digitally to create my characters, often using scanned in textures. I live by the sea in Cornwall with my husband, 2 kids and slightly aloof cocker spaniel.

• Vector • Digitally Painted
